If an error occurs when filling a form, a message will show here.

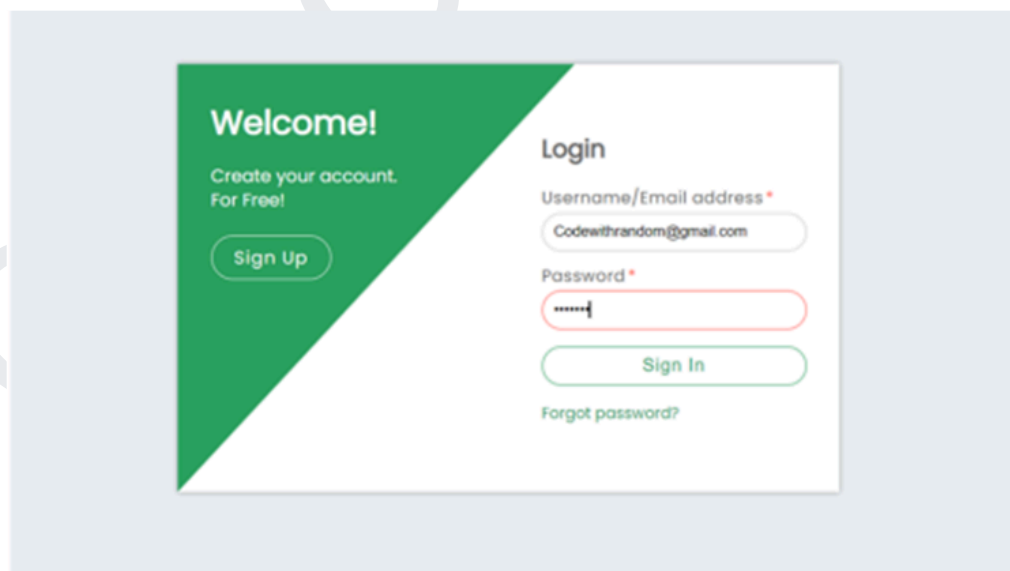

7. Create a Sign In page

(Sample)

Note: One is compulsory (2nd is your choice)

This sample sign-in page features a split layout. The left side, with a light yellow background, is titled "Sign in" and includes three social login icons (Facebook, Twitter, Google+). Below these, it prompts the user to "Or sign in using E-Mail Address" with input fields for "Email" and "Password", a "Forgot your password?" link, and a blue "SIGN IN" button. The right side, with a blue background, is titled "Create, Account!" and includes the text "Sign up if you still don't have an account ..." and a white "SIGN UP" button.

This sample login page has a diagonal split design. The top-left green section is titled "Welcome!" and says "Create your account. For Free!" with a "Sign Up" button. The white section on the right is titled "Login" and contains input fields for "Username/Email address*" (with the example "Codewithrandom@gmail.com") and "Password*" (with masked characters). It includes a "Sign In" button and a "Forgot password?" link.

8. Create a Contact Us page
